The KFCMS requires all potential Buskers to audition before entrance into the Market. This can be achieved through on-site auditions or links to performances on line, please book on-site auditions through the office at **250-878-5029** or email kelownafarmersmarket@shaw.ca. The KFCMS reserves the right to refuse any Busker to participate in the Market.

Can the Market contact you to play on a festival day, for events, and/or if we have extra openings? Yes or No (please circle)

Please note:

- KFCMS allows up to 5 buskers per market day, where space is available.
- Buskers are responsible for providing their own chairs, stands, and other needed materials of set up.
- Buskers are responsible for pre-booking dates they wish to play, **at least one week in advance** with Market staff in an email to kelownafarmersmarket@shaw.ca or at the market information booth.
- We ask that buskers be at the market by 9am, and check in to the market information booth when they arrive. Staff will show buskers to their spot.
- Amplification equipment is allowable on a case-to-case basis at the discretion of Market staff. Buskers using amplification must provide their own power. Buskers who use amplification must respect the sales space of the market vendors, including reducing volume at the behest of Market staff.

There is no parking in the market lot for buskers. Please use our loading and unloading stall to move your equipment in if needed, then relocate your car to the Orchard Park Mall parking lot across the street.

Please list any instruments you will be playing:
